Deepen Your Cultural, Environmental, or Global Understanding

These courses provide an opportunity for undergraduate students to broaden awareness and fluency in perspectives regarding gender, orientation, respect, social justice, sustainability, world topics, and more. This is a sampling of summer courses. Most classes are 3 credits with no prerequisites; many fulfill AUCC requirements.

Please note:
- Online courses are asynchronous unless listed as synchronous, which require attendance on specific days and times.
- Learn more about AUCC Categories.
- Check RAMweb to for course descriptions, delivery method and other course details.
- Main campus students register in RAMweb.
- If a course of interest is currently full, consider joining the wait list
